He could have been saddled with any number of male officers instead of a hottie like Wilson. Fresh out of the academy, the twentysomething blonde was most easy on the peepers.

STAKEOUT

“This has got to be the most boring stakeout of my career,” muttered Lieutenant Rocker.

Slumped behind the wheel of an unmarked sedan, his eyes trained on the drug house across the street, he raised a thermos and took a swig of coffee. Business was good. Cars had come and gone throughout the night, cars and a few pedestrians. Rocker wasn’t concerned with the druggies on foot; he had been tasked with running license plate numbers through the system in search of outstanding warrants. No hits thus far, but it was still relatively early in the game. Experience—and he had tons of it—had taught him to be patient. It was only a matter of time before he hit paydirt.

Until then . . .

“You holding up?” he asked his young partner.

Rocker waited for a response, waited and waited some more before turning to look at Wilson. She was sound asleep, her head resting on her shoulder.

Poor kid, the lieutenant thought. She had better get used to it. Waiting was the name of the game, hours and hours of waiting for something to go down. And sometimes—hell, most of the time—nothing went down. Most rookies began their careers with heads full of romantic claptrap gleaned from ludicrous TV cop shows. Real police work was nothing like that. Real police work, he knew, was tedious and dull.

Like tonight, Rocker reasoned. Still, it could have been a

whole hell of a lot worse. He could have been saddled with any number of male officers instead of a hottie like Wilson. Fresh out of the academy, the twentysomething brunette was most easy on the peepers. A set of sizable tits stretched her tight-fitting uniform shirt, making Rocker entertain all kinds of dirty thoughts.

Rocker felt like a dirty old man. He was old enough to be Wilson’s father . . .

She started snoring. He grinned wryly and shook her shoulder. “Wake up, Wilson,” he said. “Rise and shine.”

The brunette rookie opened her sleep-reddened eyes; she lifted her head from her shoulder and regarded Rocker.

“She lives,” said the lieutenant.

“I’m so sorry,” Wilson said. “I didn’t mean to fall asleep on the job.”

“No sweat,” Rocker told her. “This stakeout is like watching paint dry.”

“Still . . .”

“Don’t worry about it, kid. It happens to the best of us. Just don’t make a habit out of it, okay?”

“I won’t, Lieutenant Rocker.”

She didn’t drink coffee so that was out. Hell, she didn’t even drink soda. A real health nut, Rocker knew. This was one of the first things he had learned about his young charge. Wilson liked to hit the gym in her spare time, working up

a sweat by pumping iron and hitting the heavy bag and running countless miles on the treadmill. The image of her exercising in a skintight leotard, her bronze skin beaded with sweat, made his pulse pound even as he sat there beside her and tried to stay focused on the drug house.

Wilson yawned. "Goodness," she said, shaking her head with dismay. "I don't know what's wrong with me."

"I do," Rocker said. "You're bored out of your skull. And I can't blame you."

"You're bored too, huh?"

The lieutenant took a belt from his thermos. "If it weren't for this coffee, I would be sawing wood right about now."

Wilson looked at him strangely. "Sawing wood?"

"Snoring," Rocker explained.

She chuckled. "Oh, I get it."

Wilson didn't strike him as the brightest bulb in the box. Until a few moments later when she came up with the best idea he had heard in years.

"How about a blowjob, Lieutenant? That would liven things up for both of us . . ."

Rocker thought she was joking, of course. Still, the vulgarity of her humor caught him off guard. Now it was his turn to look at her strangely. "Wilson," he said, "I can't believe you just said that."

She turned in her seat to face him. "You obviously don't know me very well. I'm not a prude."

"I didn't say you were."

"Yeah, but that's what you were thinking."

"You some kind of mind reader?"

"No," Wilson said, "but I am perceptive."

"Perceptive, huh?"

"That's right."

"And what are you perceiving about me?"

"Well," she said, "judging from that bulge in the front of your pants I'd say you're horny as hell."

Wilson didn't give him a chance to respond before she scooted across the bench seat and reached for his fly. She freed his cock in a matter of seconds, holding it in one hand while using the other to unbutton her shirt. Rocker's wife hadn't given him a handjob since they were newlyweds. He couldn't wait.

Having removed her shirt and bra, Wilson proceeded to stroke him in earnest. The wondrous sight of her spectacular titties coupled with the friction of her jerking hand made the lieutenant harder than a police baton. If the boys back at the station could see him now! Tugging his schlong faster and faster, Wilson used her other hand on herself, rubbing and caressing her tits until her nipples were stiff cones and her breathing was ragged. This turned Rocker on in a big way. He decided right then and there that he would dump his load on her tits, preferably after fucking them.

Moments later, Wilson withdrew her hand and employed her mouth. Rocker sighed contentedly as her brunette head bobbed in his lap. His young charge had a lot to learn about police work, but she was an expert at gobbling cock. Her wet lips gliding up and down his shaft, she devoured him with slutty zeal.

The lieutenant couldn't believe his good fortune. Who knew Wilson was such a slut? Teaching her the ins and outs of the job was going to be an absolute blast. In more ways than one, he thought amusedly.

The brunette rookie came up for air; she wiped her mouth with the back of her hand. "Still bored?"

"Hardly," Rocker muttered.

Wilson's shoes and pants weren't exactly designed for easy access, but she shed them without too much difficulty. Eager to bang his brunette subordinate, Rocker didn't bother with his footwear. He lowered his pants and climbed on top of Wilson who lay across the vinyl seat with her legs spread.

The lieutenant grunted upon entry. Wow, he thought, she's really tight! His wife's pussy couldn't compare. Gloria was a fine wife, sure, but fucking her left much to be desired. Rocker had all but forgotten what good sex was like. He pounded Wilson with everything he had.

She took his cock like a champ, lifting her knees and moaning with excitement. Her titties bounced in response to his forceful thrusts, prompting Rocker to fuck her harder and faster. Easy, the veteran cop told himself. He didn't want to get carried away and shoot his joy juice, not before sliding his salami between those glorious globes of hers.

Deciding there was no time like the present, Rocker pulled out and straddled her midsection. A lewd grin spread across Wilson's face as she squeezed her jugs together, forming a snug crevice for a good and proper tittie fuck. Thoroughly lubed with saliva and cunt juice, his cock slid easily into

place. Warm and wet and soft, the region between her bountiful boobs provided him with immeasurable pleasures as he deployed his dick with a frenetic jabbing motion.

"Yeah, Lieutenant! Just like that! Fuck those big titties!"

Wilson's words of encouragement pushed Rocker over the edge. No sooner had she uttered them than his cock exploded like a pipe bomb. Cum spattered her face. Lots of cum. It had been a long time since the lieutenant had screwed his wife, so his balls were full. His member spasmed repeatedly, spitting hot spunk in the sexy brunette cop's face.

"That was fantastic," Wilson remarked after they had gotten dressed and resumed their stakeout.

"Agreed," Rocker replied, one eye pressed to a night vision monocular trained at the car which had just parked in front of the drug house.

"See something?" she inquired.

"I need you to run a tag."

"You bet."

Rocker read the license plate number while Wilson typed it into their computer. They waited in silence. Finally, she said, "Stolen."

"Okay," Rocker said, lowering the monocular, "we'll light them up when they leave."

It wasn't long before a lone male exited the house and

Wilson shifted uneasily. "What's taking so long?"

"Typical Saturday night," Rocker said. "All units are busy." He grabbed his mic. "We can't sit here all night . . ."

He raised the mic to his mouth and ordered the driver to exit the vehicle with his hands on his head.

"Let's go," he said to Wilson.

Gun in hand, she got out on her side. Rocker's feet hit the pavement as the driver emerged from the vehicle.

"Turn around," Rocker commanded the suspect in his most authoritative voice, "and walk backwards until I tell you to stop . . ."

The driver turned around. But he didn't walk backwards. He took off like a rocket. Sneakered feet slapping the pavement, arms and legs pumping, he fled across the parking lot.

"Shit!" Rocker barked.

His running days were over. But Wilson was in the prime of her athletic life. The twenty-something rookie holstered her gun and gave chase. Rocker watched with astonishment as she sprinted after the suspect. The guy had a good head start, but this hardly mattered. She closed the gap in seconds and took him down with a tackle that would have made a professional linebacker proud.

By the time Rocker caught up with them the suspect had already been cuffed and read his rights.

drove away in the hot car. Rocker followed the car for a block or two before activating his blue lights. The car didn't pull over immediately. The lieutenant tensed, his knuckles turning white on the wheel as he anticipated a highspeed chase. Thankfully, this didn't happen. The driver wheeled into an empty parking lot and brought the car to a halt.

"Request backup," Rocker told Wilson.

"Yes, sir."

They waited not so patiently for their backup, both officers eyeing the stolen car as the driver remained behind the wheel.

"Nice work, Wilson."

"Thank you, Lieutenant."

The driver, his arms scraped from the pavement, wore a sullen frown. "You had no right to pull me over. I didn't do anything wrong."

"You're driving a stolen car," Rocker said, "and hanging out at a known drug house."

"Stolen? I don't know what—"

"Save it for the judge," Wilson said, grabbing his arm and leading him to the squad car.

Rocker couldn't have been prouder.

"I've never had a man say no to my advances. When I want to bed a guy, I'll be right up front with him. At the supermarket last month, I saw a nice-looking, well-groomed man getting a coffee from the in-store coffee shop. I pushed my cart over there and told the barista that I'll have what the gentleman is having - being sure he could hear me. I took it over to his table, put it down and asked if I could join him for a minute. He looked at me, smiled and said 'Sure.' Wanna know what happened next?"

...we all had a couple rounds of drinks when Isiah suddenly turned to me with a mischievous glint in his eye.

For our 10th wedding anniversary, my wife Theresa and I took a trip to Hawaii, staying at a luxury resort on the beach. On our third night there, we met Isiah and Cecelia at the bar. They were in their 30's just like us and we hit it off immediately. When I learned that Isiah was an engineer just like me, we fell into easy conversation.

The night wore on and we all had a couple rounds of drinks when Isiah suddenly turned to me with a mischievous glint in his eye. "You know, we've been doing some experimenting lately," he exchanged a look with his wife. "Swinging, to be precise. And we have to say, it's been an incredible boost for our relationship."

Theresa and I looked at each other surprised. The implication hung in the air unspoken. It wasn't something we had ever considered before, but there was a certain allure to the idea of trying something new together. That night, as we lay in bed together, my wife and I discussed the possibilities. We agreed to give it a try, as long as we set some ground rules first.

"Condoms are a must," she insisted. Her eyes were serious and sobered up from earlier. "And no kissing on the lips. I don't want to catch anything, and I only

want to kiss you."

I readily agreed.

The next evening, we stood outside Isiah and Cecelia's hotel room door after having had a talk with them earlier to set everything up. When they invited us in, my heart was pounding. Their lavish suite put our own to shame, with a king sized bed dominating the center of the room.

Isiah and Cecelia were already waiting for us, dressed in nothing but their underwear. Cecelia, a stunning brunette with curves that rivaled Theresa's, sauntered over to my wife and began to undress her. Theresa's eyes fluttered shut as Cecelia's fingers brushed over her skin, her body responding to the unfamiliar touch with a shiver of excitement.

The girls were soon naked, their breasts covered in goosebumps from the cold air and their nipples hardened. Cecelia took Theresa by the hand and led her to me, kneeling down and encouraging her to follow. Both women fixed their eyes on the growing bulge in my pants. Theresa reached for my belt, unbuckling it as Cecelia unzipped my fly. In a matter of moments, my cock sprang free. To my wife's surprise, it was already rock hard.

BLAIR-NTS-10

The girls exchanged a look before they both leaned in and ran their tongues up the length of my shaft. Starting at the base and ending with a swirl around the sensitive head. I groaned, my head falling back as I felt two sets of soft lips wrap around my cock. One on either side, they worked in tandem. They took turns sucking and licking and teasing me to the brink of madness. I had never felt so overwhelmed before. Instead of one warm, wet mouth to focus on, I was being worshipped by two.

Before I could get too close to my orgasm, Cecelia stood and guided me over to the bed. She pushed me down onto my back and slid a condom down my shaft. Climbing on, she straddled my hips and looked me in the eye as she sank down onto my cock. I groaned at the sensation and looked up to take in the sight of her heavy breasts bouncing above me. Starting out slow, she ground down against my hips and squeezed her pussy around my cock.

Theresa's moans rang out to my right, and I turned to see my wife's pussy swallowing another man's cock. Isiah was already balls deep inside her. Wet slapping of his hips against her ass mixed with their moans and grunts. It was strange to see my wife with another

man, but it was also a bit of a turn on. Seeing her let go and get lost in ecstasy is always a beautiful sight.

When we switched positions, we had Cecelia and Theresa lay next to each other on the edge of the bed while Isiah and I took turns fucking each woman. Having them one after the other, I was able to appreciate the differences between the two. Cecelia's fuller hips jiggled and bounced as I gripped them tightly and thrust up into her. Theresa's moans raised in pitch every time I bottomed out. They each moved and responded in varying ways to my touch.

Getting closer to the edge, Isiah and I both pulled out to discard our condoms and jack ourselves off over Theresa's face. I came first, thrusting into my hand one final time and then releasing my load all over her. Isiah added another layer soon after, covering her features in his jizz. I watched in awe as my wife got drenched in cum. She looked incredible, her face glazed in white and a big smile across her lips.

Of course, we couldn't just stop there. Every anniversary since then has included a similar type of fun between my wife and I. And I don't see us stopping anytime soon!

- Dave, happily married for 15 years
